*The total of 127 undergraduate students from the Department of Aerospace Engineering in the Grainger College of Engineering graduated in August 2018, December 2019 or May 2019. Of those, 87 students responded to The Illini Success Survey, accounting for a 66% response rate. This report provides general information about the department’s graduating class and survey respondents. Excludes salary outliers less than or greater than 3 standard deviations from the mean. Also, note that N values less than 10 are for internal reference only. According to project IRB, items with N less than 10 cannot be shared publicly in the interest of respondent confidentiality.

**A total of 45 undergraduate students from the Department of Aerospace Engineering reported having experiential learning activities with 28 of them having an internship or co-op during their program.
