**A total of 179 undergraduate students from the Department of Civil & Environmental Engineering in the Grainger College of Engineering graduated in August 2018, December 2019 or May 2019. Of those, 151 students responded to The Illini Success Survey, accounting for a 84% response rate. This report provides general information about the department’s graduating class and survey respondents. Excludes salary outliers less than or greater than 3 standard deviations from the mean. Also, note that N values less than 10 are for internal reference only. According to project IRB, items with N less than 10 cannot be shared publicly in the interest of respondent confidentiality.

**A total of 77 undergraduate students from the Department of Civil & Environmental Engineering reported having experiential learning activities with 66 of them having an internship or co-op during their program.
