* A total of 605 undergraduate students from the Department of Electrical & Computer Engineering in the Grainger College of Engineering graduated in August 2018, December 2019 or May 2019. Of those, 474 students responded to The Illini Success Survey, accounting for a 78% response rate. This report provides general information about the department’s graduating class and survey respondents. Excludes salary outliers less than or greater than 3 standard deviations from the mean. Also, note that N values less than 10 are for internal reference only. According to project IRB, items with N less than 10 cannot be shared publicly in the interest of respondent confidentiality.

** A total of 214 undergraduate students from the Department of Electrical & Computer Engineering reported having experiential learning activities with 163 of them having an internship or co-op during their program.
